

GLOSSARY – MENTEE

The following resources have been created for participants of the Indigenous Mentoring Program. As a participant, you will receive the information during certain stages of your participation to make sure the most relevant information is available when it is required (see below).

POST REGISTRATION – AVAILABLE RESOURCES

Available in the resources tab are documents that both Mentor and Mentee should be familiar with before being allocated a partner.

| | Resource | Summary |
|---|--|--|
| 1 | Glossary | Outline of the documents available. |
| 2 | Terms and Conditions | Terms and conditions of the Program. Each participant will receive a questionnaire 2 weeks after completing registration to confirm acknowledgement of the terms and conditions. |
| 3 | Privacy and collection of personal information | Information on the requirements of privacy for the Program. Each participant will receive a questionnaire 2 weeks after completing registration to confirm acknowledgement of the privacy and collection of personal information document. |
| 4 | Confidentiality agreement | Information on the confidentiality requirements of the Program. Each participant will receive a questionnaire 2 weeks after completing registration to confirm acknowledgement of the confidentiality agreement. |
| 5 | Tutorials (Video tutorial) | The Indigenous Mentoring Program platform is hosted by <i>The Art of Mentoring</i> . A tutorial (see tab in your profile) will guide you through navigating the software. |

POST PAIRING – AVAILABLE RESOURCES

After you have been paired and notified, the below resources will assist you on your mentoring journey.

| | Resource | Summary |
|---|-------------------------|--|
| 6 | Program manual - Mentee | An outline of the program and frequently asked questions specific to Mentees. |
| 7 | Mentee guide | This document covers the benefits of the Program and what to expect from your Mentor. |
| 8 | Mentee workbook | This document provides the Mentee with an outline of the framework in which the Mentee needs to follow, including instructions for the partnership and a learning journal. |
